

**PHASE II**  
**LIL' LUMBERJACKS AT THE FAIR**

Sponsored by:

The Northern Maine Fair is excited to present PHASE II of our newest children's educational exhibit called Lil' Lumberjacks at the Fair. Modeled after our successful Lil' Farmers exhibit, Lil' Lumberjacks takes children of all ages through a number of educational buildings and activities, as they learn in an elementary way about the Forestry Industry, from seedlings to the production and marketing of all forest products. PHASE II will introduce our new Tree House Library, a Brand new Maple Sugar House, and include many other improvements. *Make sure to check it out!*
